KEY FEATURES AND BENEFITS

IMPROVE BUSINESS PERFORMANCE MANAGEMENT

Where Do I Stand—Deltek Vision Small Business can bring order to the chaos by ensuring every ounce of important data is captured and made instantly available to you and your managers. Its customizable dashboards and special reports also give you an instant snapshot of your business—what opportunities are in the pipeline, which projects are in trouble, cash flow and collectables.

Level the Playing Field—To win against big competitors, you need to change the rules to play to your strengths. Deltek Vision Small Business makes all of your vital information readily available, enabling you to make mission critical decisions with ease.

STREAMLINE BUSINESS PROCESSES, OPERATIONS AND EXECUTION

Help your Managers be More Successful—Designed for growing project-focused services firms, Deltek Vision Small Business will help you and your managers get projects done on time, on budget and with healthy levels of profitability. Its database of information can also help your managers earn new business by building more enduring client relationships, guiding the pursuit of important new project opportunities and building winning proposals.

Information Anywhere, Anytime—Extend your work environment with complete access to Vision via the internet—anywhere, anytime.

WIN MORE BUSINESS

The Vision Small Business database of information can help small business managers earn new business by building more enduring client relationships, guiding the pursuit of important new project opportunities and building winning proposals.

FAST IMPLEMENTATION AND LOW TOTAL COST OF OWNERSHIP

Automated System Set Up—Pre-configured set-up on a number of key features reduces implementation time and cost, and helps you more quickly realize the tangible benefits you gain from Deltek Vision. Properly set up core features also provide a foundation for the addition of more advanced features as you grow.

Fast Start Implementation—Self-paced training—including a suite of telephone, web-based and classroom training—lets you keep up with other pressing responsibilities while you learn Vision.

Special Pricing and Financing Alternatives—Deltek Vision Small Business offers pricing based on number of employees to more easily fit your budget. Special financing options also reduce your upfront cash outlay.

Application Hosting—When you choose our optional hosting services, we provide the IT infrastructure and IT expertise required to run and maintain Vision for a reasonable, monthly fee.

A SYSTEM THAT GROWS WITH YOU

The value of your investment with Vision Small Business increases as you grow. You start with only the features that meet your immediate needs. Over time, and as those needs change, you can bring additional features online. You can also add new modules such as Vision Multi-Currency when you land your first international contract or Vision multi-company when you purchase or found a new company—which means you never outgrow your investment and you never have to search for software again.

It all adds up to a solution that helps you win more business. Deltek is committed to staying several steps ahead of your business. As you encounter new challenges, we have the software that is ready to help.
