

Intuit Assisted Payroll

You pay your employees. Intuit handles the payroll taxes and forms for you.

How It Works

Payroll specialists help you get started¹

From set up to running your first payroll in QuickBooks, Intuit can help with personal, step-by-step guidance. With Assisted Payroll you can run payroll with confidence.

You're in control

Simply enter employee hours in QuickBooks and create paychecks in just a few clicks. Easily print paychecks or use Direct Deposit (additional fees apply).

Intuit handles the tax filings and payments

Intuit handles your tax payments and files tax forms for you—guaranteed accurate and on time.² You don't have to worry about dealing with the government.

¹ Available Monday through Friday, 6 AM to 6 PM Pacific time. Available for U.S. customers with active subscriptions. Support is limited to setup and usage questions. Intuit reserves the right to limit each contact to one hour or to one question or issue. Terms, conditions, pricing, features, service and support are subject to change at any time without notice.

² If the data you provide is accurate, on time, and your account is sufficiently funded, your payroll tax deposits and filings will be on time and accurate or we'll pay the resulting payroll tax penalty.

Manage payroll with confidence

Simply create paychecks anytime and leave the government filings and tax payments to us. It's a great solution for people seeking control and convenience. Highlights include:

- Pay employees anytime – no need to submit timesheets
- Payroll taxes and filings are guaranteed accurate and on time³
- Easy-to-use—run payroll with just a few clicks
- Live phone support from payroll specialists⁴
- Job costing – Effortlessly track job costs and profitability by project⁵
- Seamless integration with QuickBooks— Manage your finances and payroll in one
- Comprehensive payroll and financial reports at your fingertips
- Benefits of outsourced payroll for less than the cost of ADP or Paychex⁶

³ If the data you provide is accurate, on time, and your account is sufficiently funded, your payroll tax deposits and filings will be on time and accurate or we'll pay the resulting payroll tax penalty.

⁴ Available Monday through Friday, 6 AM to 6 PM Pacific time. Available for U.S. customers with active subscriptions. Support is limited to setup and usage questions. Intuit reserves the right to limit each contact to one hour or to one question or issue. Terms, conditions, pricing, features, service and support are subject to change at any time without notice.

⁵ The job costing feature is not available in QuickBooks Simple Start.

⁶ Savings based on prices supplied by ADP's and Paychex's websites in June 2008 for a 15-person company running payroll bi-weekly using zip code 94043. Excludes fees for setup, direct deposit or W-2s. ADP and Paychex offer different services that can process payroll for you.

An affordable alternative to outsourced payroll services like ADP or Paychex
